Dear School, Parent, Teacher, Player

Schools Programme - Christchurch Park

I am writing to you with an exciting opportunity to get children into tennis for FREE. No catches, no gimmicks, we will even come to you for the first session if required! Christchurch Park tennis courts will be the venue for the **free tennis programme** beginning after the Easter holidays.

Our aim is to visit schools and deliver a tennis lesson to all your **children to give them a taste for the game**. We will then offer a **free tennis camp** in the **Easter holiday** and those interested in carrying on will be able to attend this and the **free squads in the Summer term**.

We are launching a tennis programme designed to open up the game of tennis to everyone, without exception. We are aiming to attract children, their parents and their friends and provide a service never seen before in this county.

This is not too good to be true, it is simply very good and very true!

We would love to hear from you if you are interested in us coming into your school, please contact us asap to arrange a suitable time to meet up and/or arrange for us to come in.

There are 3 qualified and CRB checked tennis coaches (1 of the 3 will attend your school) who will be delivering the in school sessions.

Please contact us if you are interested, our details are at the top of the page.

Would you also please register (it's Free) with us on the website asap so we can keep you updated regarding all the programmes

We look forward to hearing from you.

Regards

Jez Cowley (Head Tennis Coach)
